

SAMIRA AHMED

Full Stack Developer

+880 13109-44012 | samiraahmed.work@gmail.com | [portfolio](#)

 Samira Ahmed |  samIRaahmeD6

Dhaka - 1216, Bangladesh

SKILLS

- Programming Languages:** JavaScript, C, Java, PHP, HTML, CSS, C++
- Frameworks:** React.js, Node.js, Express.js, jQuery, Laravel, Tailwind CSS, Bootstrap
- Database:** MySQL
- Tools & Technologies:** Git, Docker, Visual Studio Code, IntelliJ IDEA, npm, Canva, Figma
- Soft Skills:** Effective Communication, Teamwork, Problem-Solving, Adaptability

PROJECTS

• Teamcollab:

November 2025

Tools: [React.js, Vite, Node.js, Express.js, Socket.IO, MySQL, VS Code, Tailwind CSS, Git, Reqbun]

- Implemented frontend using Tailwind CSS and React components, ensuring the application works seamlessly.
- Developed RESTful APIs using Node.js and Express.js for user authentication and data management.
- Integrated Socket.IO to enable real-time messaging and online/offline status updates, task allocation and notification.
- Designed and managed the MySQL database for storing user profiles, tasks and chat messages.
- Utilized Git and GitHub for version control and deployed backend in namecheap.

• Portfolio:

September 2024

Tools: [React+vite, Vscode, Git, CSS, Framer Motion]

- Implemented a responsive design using CSS and React components, ensuring that the application works seamlessly across different devices.
- Used Vite as the build tool for faster development and optimized final build output.

• Digit Classification:

October 2024

Tools: [React, HTML, CSS, TensorFlow.js, REST API, Render]

- Implemented a web-based digit classification application using React, HTML, CSS, and TensorFlow.js.
- Allowed users to draw digits on a canvas and get real-time predictions with accuracy feedback.
- Displayed classification probabilities and enhanced user experience with interactive UI elements.

EXPERIENCE

• Loosely Coupled Technologies[🌐]

Nov- Dec 2024

Junior Software Developer (Intern)

Dhaka, Bangladesh

- Collaborated with the development team to create reusable templates and integrate them into the company's existing software infrastructure.
- Developed and implemented reusable templates using Angular, Bootstrap, HTML and CSS, ensuring a responsive and visually consistent user interface.
- Leveraged Azure DevOps for code management, version control, and deployment processes.
- Collaborated with cross-functional teams to showcase and manage data efficiently on the frontend.

• United International University[🌐]

2024

Undergraduate Teaching Assistant

Dhaka, Bangladesh

- Assessed student submissions, ensuring accuracy and adherence to the course's technical requirements, helping improve understanding of programming concepts.
- Assisted in the smooth execution of lab exercises, ensuring students understood how to implement theoretical concepts into practical coding tasks.

EDUCATION

• United International University

Bsc in Computer Science and Engineering

◦ CGPA: 3.71 / 4.00

◦ Major in Data Science

January 2020 - May 2024

Dhaka, Bangladesh
